“ I was listening to the "Take me to your leader" album by Newsboys tonight randomly, this music takes me straight back to the mid '90s when SUMC was playing it often at youth events. Bob came up first in my memories. I mostly knew Bob when I was a young adolescent at SUMC while he led the weekly ABC's through the bible trips, as well as multiple youth camps. I know this is years later but still wanted to share. I will always remember Bob and the amazing person he was. -Evan Fischbeck

“ I'm so very sorry to hear of Bob's passing. His smile was infectious and his personality was larger than life. We became friends from the minute we met. It's been too long since I've spoken to him and even longer since I've seen him since we didn't travel to the same shows any longer, but I'm so happy we were able to get together the last time I was in Georgia. I'll never forget you my friend and never forget the love we shared for making life more fun. Rest In Peace. This is one of the last photo's I have of me and my 4 brothers (only 2 are actually my brothers) together with Bob,

“ I was shocked to learn of Bob’s passing, and still can’t believe it’s true. My heart goes out to Dianne, Laura and Victoria. Bob was an amazing man, and your entire family played such a huge role in my life during our SUMC days. I have nothing but good memories of you all. Just reading through the condolences and seeing so many familiar names and faces brings back so many good memories from “back in the day.” You will be missed here on this earth, but it’s obvious that your impact will live on.
