swimming, bonfires, playing kings in the corner during the summertime, going on a road trip together to Pennsylvania to see his extended family.

“ I was going to try and highlight a few of the good times Madeleine and I had with Rob and Dolores. Then in remembering the past 30 plus years it turned into a short book. Just to touch on a few our gatherings - trips included many beach vacations, driving the Magnolia Highway, St Louis Arch, Trail of Tears, Bourbon Trails ( 3 or 4 times), Cloud Canyon with his crazy sister and brother-in-law, Mammoth Caves. The parties around the pool, Halloween at the lake, El Mexica - actually anywhere we went was a party even though Rob was very introverted. Rob is missed
