“ Dear Kathy, Rachel, Mike, Ann, Joern, David and Laura, et al. We don't know most of you very well but through Rob and Kathy we have come to know you in a special way. Rob has meant so much to Jim. He was the consummate evangelical. In fact you could not talk to him with out hearing the Gospel or multiple scriptures quoted. He once expressed a little frustration about his still having value because he could not do anything physically. But Jim assured him that God was present in him and that he continued to serve Him more than most. He was a proud Father and Grandfather and it showed in his eyes everytime at the mention of one of his "flock." He was intensely proud of his Mustang and in fact at Jim's last visit only about a week ago, he lit up and gave a dissertation on how the engine was built to its current performance level. He was really proud that David is carrying on his racing tradition. There were so many levels to this man...it was sort of like peeling a sweet onion when talking to him. And of course there was his love of Chocolate...next to the Lord who could not relate to that! And it must be mentioned that Rob had the patience of Job in tolerating what had to have sounded to him like incessant babbling from Jim about his adventures and misadventures. There is a hymn, What a Friend we have in Jesus. We know that it is speaking to Jesus being our Friend but in Rob we had a true friend in Jesus as well. We will ever be marked in our hearts and souls by the blessing of knowing and sharing with Rob. He is a permanent part of who we are. And to Kathy and Rachel, two of the most loving, caring, and faithful servants...well done. We rejoice with the Angels in Heaven that Rob is home with Jesus, but we also miss him terribly! “ Kathy,

I celebrate Rob's going home but I feel so sad for you. Just know that I enjoyed our last visit with Rob and will always hold dear the memories of Rob as our Class Leader. His words that he left on my heart - "God is in control" will always remind me that at a time that I needed to know that most, Rob allowed God to use him to provided those words. Rob left such an impression on me and influenced my walk through his strength and his faithfulness in living that thought that it is something that I will never forget. I hope he got my birthday card and was able to know what an honor and a privilege to have known him and that he meant a lot to me for the short time that I knew him.

May God continue to lift you up and bless you! At a time when sadness sneaks into our thoughts, let us rejoice and give God all GLORY for Rob's time here with us and let us remember that we will see him again soon when we, too, can be in the presence of our Lord and Savior.

Please let us know if there is anything we can do to help at this time. We have you in our prayers!!

“ Let me be the first to say how special Mr. Toren was.. he was an amazing soul and such a tremendous Blessing to me.. I had the pleasure of taking care of him on many occasions as I am a CNA at Embracing Hospice.. We had many long talks .. he told me things that I will never forget and he taught me so much about God and things in the Bible.. he just made everything so simple and easy to understand. The first time I ever met him he said he sometimes didn't know why God hadn't taken him yet.. I told it was because God knew that I needed to talk to him.. like so many other people.. he was so special to me .. I looked forward to seeing him everytime he came for respite care. I loved him.. I admired him..he will forever be in my heart and memories..

When my own sister was diagnosed with ALS.. he comforted me.. even cried with me and then told me what to expect in the future.. he was a great inspiration to me.. a man I will never forget.. To his family.. I'm so sorry for your loss..you are in my thoughts and my prayers.. thank you for sharing such a wonderful man with us at Embracing.. with me..##imported-begin##Anita Castleberry##imported-end##
