“ *I was so saddened to read of Robbie's passing in the newspaper tonight. I did not know that she had been sick. She taught my son in first grade at Dolvin Elementary School. She was a wonderful teacher who showed great kindness and compassion for her students. I have run into Robbie several times over the years and was always struck by how proud she was of her daughters and how thoughtful she was to remember my child. I will be praying for your family during this sad and difficult time. May God comfort you with His boundless love.##imported-begin##Lynne Waller##imported-end##*

“ *Dennis,*

*Bereavement is so personal that few of us, unless we have experienced it ourselves, can comprehend its grief. Robbie was loved by all who knew her. Her charm and warmth was a continuous inspiration. I hope that the caring of friends will lessen the sorrow that you bear.##imported-begin##Fred Dow##imported-end##*
