“Marty we are so sorry you have to bury your best friend. You must be beside yourself. We can't even imagine what you are going through. And the kids and the "grands..." Robin was always such a good friend and a living angel. We keep remembering the last time we were with the two of you in Atlanta and the fun ride in the Red Mustang with the top down. We celebrated our anniversary with you and Robin that night and you gave us the "I do" and "I do too" mugs. We used those mugs last night and reflected on your gut-wrenching loss and what a wonderful woman Robin was. Please know we are with you in spirit and so regret the distance between us. We wrap all our love and prayers around the whole family. Marty, we know there is nothing we can say to take away your pain - however, we are so grateful to have had our lives touched by Robin. We love you, Ross and Sally##imported-begin##Ross and Sally Benjamin##imported-end##
