“ Dear Bea, Betsy and the whole rest of the family. My most sincere condolences for the loss of Rod who was a beacon of hope and integrity to myself and many others we knew at Unity. I will always fondly remember the times we spent together as our girls grew up to be fine young women, and Rod's gentle approach was certainly a part of that.##imported-begin##Sue Ann Taylor##imported-end##

“ J. Arturo And Ivette Barajas december 7 2007  
we are sorry about the passing of Rodney, Our thoughts and prayers are with his family during this time of sadness. Rod was for me more than a friend, he was my mentor who taught me many things not only business stuff but different things about life in general.  
All the time that i worked for him I felt like i was part of his family and not just an employee wich is something that I appreciated very much. I am sad and fell and emptiness now that he is gone. It was a honor and a pleasure to meet him and work for him.  
He was a wonderful man and very clever. I will miss him very much and i know that he will be watching over us. Rod will be sadly missed here and every day but we will meet again on the other side someday and what a happy reunion that will be.  
Our Love and prayers go out to his Wife Bea and her family.##imported-begin##J. Arturo And Ivette Barajas##imported-end##

“ Rod was such an incredible man and will truly be missed by many. His outlook on life was one of happiness and pure joy. Bea, you and Rod are a beautiful example to me and so many others on what happily married couples look like. This is a gift you have given me that I will never forget. I loved talking to Rod, and will miss him. Bea and family my thoughts are with during this tough time.##imported-begin##Tracy Brady##imported-end##

“ Dearest Bea and family,  
I'm so sorry for your loss of Rod.  
In the short time I knew him, Rod was a kind and generous man. I could see that he loved you and his children very much.  
Durring the time he and I talked and worked on estimates, he always displayed a fair and honest business.  
I will miss the time we could have spent together and the friendship that we would have had.  
Rod was a good man and will be remembered as such by the people who new him and the legacy of Pro Tech.

Sincerly

“ While I know that Rod is on to his next exciting adventure, it is with deep sadness that we say good bye. Both Bea & Rod have been very dear to my heart. Inspiring, sweet, holy people. Bea, I know Rod will continue to assist and direct you, but you are a very strong woman, and will find a place of peace in time. I support you, and will be here to help.##imported-begin##Barbara Klunga##imported-end##

“ As Rod's flight instructor, I developed a personal relationship with Rod that soon developed into a great friendship with both Rod and Bea. Carole and I enjoyed this good man in so many ways. Rod faced his fear of flying head on when most people would have turned back. Rod was well on his way to being a great pilot when health issues became too much. We feel so helpless when a good friend needs us and we can't help. Rod had a great capacity for understanding. Always remaining humble while enjoying good success. Rod was a man with a plan. We will always regret not spending more time with Rod & Bea. Alas, the miles and business can separate us, Rod will always be in our hearts as a graceful friend. We miss him. Fair Skys, good friend... Hank & Carole##imported-begin##Hank & Carole Austin - Shelby , Michigan##imported-end##
