“ Rosa was the most beautiful soul I ever known. I enjoyed coffee with she and Costa almost every week for 20 years as my neighbor. She and Costa shared stories of their youths and marriage and immigration. She always prepared a light snack of had a Greek cookie ready with my coffee. She prayed for me, my family and my business success. She called Greece and had the nuns pray for extra help. Because of her prayers my daughter survived cancer three times and has given birth to two of my grandchildren. I asked her to pray for my business survival and success and miracles literally happened many times that I can only attribute to angles watching over me. I pray that she will continue to look over all that loved her and keep us safe until we meet again. Amen
