June 13, 1970 - July 23, 2011

Rodrigo V. Bianchini, 41, of Alpharetta, died Saturday July 23, 2011. Mr. Bianchini was born on June 13, 1970 the son of Evaristo Bianchini Sobrinho and Maria Valdez V. Bianchini of Brazil. His pride of his Brazilian heritage was only eclipsed by his love for America. He was kind and compassionate man, proud and loving father, devoted husband, patient and giving friend and committed employee. He worked at Philips Electronics as an electrical engineer for over 16 years. Rodrigo's drive, desire to share his expertise, and willingness to help his colleagues solidified lifelong friendships. His passion for life drew him to skydiving, eventually becoming a professional skydiving instructor, videographer and coach. Rodrigo was a kind and patient man who enjoyed instructing new jumpers on the sport. His gentle manner made him a truly wonderful teacher. He lived a full life and will be missed by many. He is survived by his loving and devoted wife, Elisabeth Lima Bianchini, daughter, Larissa Lima Pinto, son, Gabriel DeLima Bianchini, of Alpharetta. Mother, Maria Valdez V. Bianchini, of Brazil, 3 sisters, Geovana Bianchini Ulian, Fabricia Vieira Bianchini, and Darc Maria Dinis Carvalho, 2 brothers, Daniel Vieira Bianchini and Davi Vieira Bianchini, and numerous nieces and nephews. The family will receive friends on Tuesday July 26, 2011 from 5:00 pm 8:00 pm at Northside Chapel Funeral Directors. A funeral service will follow. In lieu of flowers, donations welcome. “ *Rodrigo era um excelente profissional. Trabalhei um bom tempo com ele na Philips e até tinha tentado que viesse para o Brasil voltar a trabalhar por aqui. Foi um grande "baque" saber desta fatalidade. Além de um grande profissional ele devia ser um excelente marido e pai. Tenho certeza que ele está em um lugar muito especial. “ *Oi Beth,*

*So queriamos dizer que estamos pensando em voces e orando a Jeova que lhes de as forcas necessarias para enfrentar esta situacao tao triste. Quanto anseiamos o dia em que Jeova elimine tudo que causa sofrimento, incluindo a morte, e que traga de volta os nossos entes queridos que faleceram. Ate aquele dia, lembrem que ele e um refugio para nos e nos prove amorosamente um paraíso espiritual, onde encontraremos muitos amigos sinceros que realmente se importam conosco. “ *Our deepest condolences to the family of Rodrigo Bianchini. Rodrigo was an excellent member of the Philips RTAC team and I had the pleasure of having him join me on site to assist me with a down system which had been lightning struck. Obviously it was the hand of God who put Rodrigo into the path of my life at Philips. He was a very kind and helpful expert in his field, and a good Christian man. I always looked forward to working again with him. I am confident that we will see him again when our Dear Lord has called home all of his followers. My deepest sympathy to all of his family and friends, Rodrigo will be deeply missed. All of our Love in Christ, John, Ren, and Molly McNabb.###imported-begin###John McNabb###imported-end###*

“*Rodrigo primeiramente era um cara incrível, um grande amigo, O Rodrigo mesmo morando nos USA nunca se distanciou dos colegas e amigos, uma pessoa admirada e respeitada por todos nós pelo caráter “quando falo por todos nós, falo com convicção, na Philips todos admiravam o Rodrigão”. Aprendi muito com ele, sempre disposto a ajudar, nas horas de sufoco no trabalho lembro que eu ligava para o Rodrigo e ele falava “vamo La” Uma pessoa que nunca reclamava da vida e amava o que fazia, simplesmente vivia de forma intensa e com muita dedicação, seja no trabalho ou nas horas de lazer. Rodrigão meu grande amigo você deixa muita saudades, que deus te abençoe pela eternidade. Beth e familiares que deus de o conforto para vocês superarem este momento difícil.*

“ *Dear Bianchini Family,  
Please keep these words in mind at this difficult time. When the enemy death strikes, your grief can be great, even though you may hope in the resurrection. Yet, because you have confidence in the resurrection, your sorrow will not be unrelenting. As the Bible says, you will not "sorrow just as the rest also do who have no hope." (1Thessalonians 4:13) Rather, you will draw close to God in prayer, an the Bible promises that "he himself will sustain you." -Psalms 55:22

“ *Meu Grande Amigo Rodrigo !*

*Sempre que conversava com o Rodrigo perguntava: Tudo Bem?  
Como Você está?*

*E ele sempre, sempre respondia: "Estou Ótimo ! Sempre melhor !"*

*Nunca reclamou de nada, pelo contrário, sempre que via que alguma coisa precisava ser feita, simplesmente "arregaçava as mangas da camisa" e fazia... Estava sempre feliz, amava o que fazia ! Uma vez me falou: "Abib, amo o que faço. Tudo que faço é com intenso prazer!" Ví a felicidade em seus olhos quando disse isso. Por isso O elegí como amigo, um grande Amigo.*

*Rodrigo, Obrigado por tudo. Sei que iremos nos encontrar um dia, nesse meio tempo você habitará em meu coração. Obrigado pelo seus aprendizados, hoje respondo a todos que me perguntam como estou: "Estou ótimo! Sempre melhorando !"*

*Deus na Sua Eterna Bondade e Amor irá acolher meu Grande Amigo, isso tenho certeza ! Fico agora em oração !*

“ Two words come to mind when I think about Rodrigo. Commitment and passion. When you go thru not one, but two AFF instructor recourse's and a course you really get to know someone well and you get to see their true colors. In 2009 Rodrigo and I were both in the AFF precourse and were both going some difficult personal struggles emotionally. Rodrigo was having to deal with the death of his father. We both were struggling to focus on the difficult task at hand, especially having had little sleep and lots of distractions. We sat down and talked about it and both made decisions not to proceed into the course under the current circumstances. A year later we both returned to the precourse and went on to AFF instructor course. (ask anyone who has been thru it...it's not easy) Happy to say we both passed ! All throughout the ups and downs of the course I couldn't have ask for a better partner to work with. His sheer determination was an encouragement to me. He was also very gentle and kind, and of course always willing to help. His engineering background always seemed to be evident in his attention to detail. He once was helping me hookup a canopy and did not the simple quick check, but a detailed line check that uncovered a rigging error that would have certainly resulted in a malfunction. I remember telling him thanks Rodrigo....you saved me at least 60 bucks! He just gave me the biggest smile and laugh. During a few breaks during the course it was obvious from overhearing his phone conversations with Gabriel and Beth, how committed he was to them and how much he loved them. You cannot have known Rodrigo and not have been touched by his passion for the sport he loved and the people he loved. We will all miss you dearly, but have been blessed by you richly!###imported-begin###Frankie Davis###imported-end###

“ Rodrigo , meu irmão , tu nos antecedeastes na casa do senhor , sei que há somente um veu material que te ocultas à nossa visão e que estais aqui junto de nós e que podes nos ver e escutar como antes e melhor ainda do que antes .Sei que é apenas temporária a nossa separação e que por mais longa que possa parecer , sua duração nada é face diante da eternidade que Deus concede aos seus eleitos. Que sua bondade nos preserve da dor de não nos encontrarmos quando deixarmos nosso estado terreno . Espero resignado o instante sublime no qual nos encontraremos num mundo superior no qual nos precedestes , que nossos pensamentos se entrecruzem e que o vosso nos acompanhe e ampare sempre.
