“ *Roger was a kind man who loved his wife Peggy so much. He always said she did do much for others and he was proud of her but wished she would do something for herself sometimes. He supported her in everything she did. I enjoyed sitting with Roger. We had many good conversations. My favorite was when he would talk about the Good Lord and what was missing in peoples lives! He would start wiping tears, I am thankful to know his trust was in God. I will miss Roger very much. Gail Rich*
