“ Sue and family, I just heard of Steinie's passing. Please know I remember him so well for the man who tested the heck out of my mettle then, when he was satisfied I was capable, helped shape me into a great Car Distributor (in his mold!) and supported me throughout my Pontiac years. He charmed my mom (not an easy feat!) at Thanksgiving at my house with you, Sue, and she remembered all the laughter for years afterward. I'm so pleased to know that he enjoyed a long life. Blessings and many happy memories to all of you.
