“ *I work with Ron at RBC bearings for a few years. He was my partner in the quality lab. He always had great stories to share and we had a mutual understanding for each other. He was a tough guy, a caring person and a great speaker. His way with words was very articulate. Just found out about this recently. He will truly be missed.*

Lee Johnson - September 27, 2018 at 07:30 AM

“ *I worked with Ron at RBC BEARINGS over in Georgia. We had some good conversation and Ron told good stories. Made us laugh all the time at work.
Going to miss you brother.*
