“ *Dear Grandma,  
I always looked forward to spending Christmas down in Georgia with you, I always knew it would be filled with lots of laughter, card games, board games, and of course...food. :) I will definitely miss seeing you every holiday and I really wish I could have seen you a little more often. I know you are in a better place now and that you will watch over me as I grow up and will soon be going into the big world!*

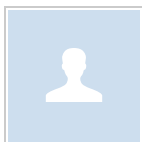

*I love you and miss you Grandma Rose.##imported-begin##Alena Rose##imported-end##*

“ Richard,Linda,Jen,and Drew - The "Turner's" are honored to have become part of the Lehman's clan with Jenny and Tyler's wedding. 'Grandma Rose' was an integral part of the clan. The time we spent with her, especially during the Holidays, was really fun! She was a "pill" as Anna stated, but she surely is a pill that will be missed!##imported-begin##Rick and Debbie Turner##imported-end##

“ You were "One of a Kind". A Character, a Pill...as you used to say. You said the things no one else would dare say. You made me laugh and I loved your directness, matter of fact view on everything, your unique & biting humor, but most of all, your ability to love, accept a person for what they were and still love them. You were a dear friend and a surrogate Mother. I will miss you but I will remember how you made me laugh. You were the best Grandmother, Mother and Mother-In\_law. Love you forever and will see you one day again. Anna##imported-begin##Anna Lehman##imported-end##
