WB

Our deepest Sympathy to the entire Lockhart and Draper families, In behalf of Arthur and Wilma Booker of Toney, Al.

Roxianna and I, Wilma Booker, started to school together at Mt. Zion M.B. Church in Toney, Al. We attend all of 1st grade there, and a very small portion of 2nd grade at New Zion Steadfast Church, immediately down the road from Mt Zion. We were then relocated into the new Toney Jr. High School. We graduated Toney Jr. High and attended Councill Training High School, and then Al A&M University both of us graduating together with Mathematics Majors. Those were very precious years in our lives.

Soon after A&M, Roxianna and Otha Draper were wed. I shared as a bridesmaid in her wedding.

She later moved to Georgia, had a career and raised her family there. Our paths would cross now and then as shared family events took place, because one set of our grandparents were siblings. Which meant we were cousins.

My husband recalls that Roxianna and he rode the school bus from Toney, Al to Normal, Al to attend Councill Training hHgh School. Thiat s the way it was, long rides to sco'ohool.

We all shared so many common things together, growing up in the same community, attending the same schools and many times, sharing in the same community and church activities.

We will cherish all those precious memories and many more of Roxianna.

May I include a word about Otha. Otha and I were only high school classmates. Otha was always a very gentle. Kind polite. Friendly and respectful young man. I will always remember Otha and Roxianna together. And now, they are both together with The Lord.

May God strengthen and Comfort you, family.

Rest In The Lord, our cousin and friend.

Our prayers and thoughts are with the families, as we
