“ *I will miss Wayne. He was a good neighbor for several years and helped me build my house. He was always a colorful kind of guy and full of life. He was at Daytona the day Dale Earnhardt crushed and died and was a great Earnhardt fan. Had several enjoyable trips to the Dixie Speedway with Wayne. He was the only one who would work with me long after sunset if the job wasn't done. I used to joke with him that he craved corn a few years ago when he had a pig valve put into his heart. I will miss him. Rest in peace Wayne.*
