“ Great coach, great friend, and great man. Influenced many lives through his coaching and inspiration of young athletes in Roswell. Had many fun times coaching with Rudy - every day was always interesting with Rudy around. Will never forget the game I almost got him ejected because of something I said on the sideline to the referees. The ref told Rudy "I don't know who said it but if I hear it again - you are gone coach. Rudy turned and looked right at me and just shook his head. I'll always also remember what he would say at the beginning of the year - "teams either get better or they get worse - they never stay the same". How true that is. We took a lot of average teams to championship games, which was a direct result of Rudy's influence. God Bless you Rudy. Rest in Peace.

“ *What a great time to be at Roswell High School as a teenager with friend and next door neighbor Rudy Scarce. Football practice and games, trips to Road Atlanta and Dixie Speedway, cruzin back and forth from the Dairy Queen to Fitzgerald's, playing Steppinwolf's " Born to be Wild' blasting through our 8 track tape player, raising hell at away basketball games, double dating to the drive in movies, 3 Dog Night Concert at the Fulton County Stadium, and on and on. Will miss you Rudacious. Danny Bradach*

*Coach Rudy was a one of a kind person. I have not seen him in 30 years but his impression on my childhood was large. He coached me baseball and basketball with my father for many years at Roswell Rec. He was an awesome coach and a friend, a players coach. I wish there were more Rudy's that gave their time to kids because he loved the kids and the games he coached. Rudy was a good man and I will always remember him. I will be praying for your loss as a family.*
