“ *Rufus was my friend for most of my adult life when I lived in Poca, WV. He was one of the nicest people I have ever known. I have always called him my guardian angel. Rufus helped us, ( my little girls and me) many times and he never wanted thanks. He would show up and fix things or build steps to my porch or spread gravel in my muddy driveway- all just because he was a super nice man. We kept in touch all these years by occasional phone calls. He told me his family news and I would tell him mine. I loved Rufus Hudson and I am so sorry I did not know of his death until today. I want his family to know that he was very dear to me and my daughters and my husband. Sending my love and condolences to all. I will miss Rufus for all the days of my life.*
