This picture brings back so many memories. This was my view every morning 5 days a week for 13 years. I treasure all of our daily chats and laughs shared (usually about my crazy life). Russ was my very best friend for many years. He will be greatly missed. Rest in peace my friend. Until we meet again in the skies and I get to tell you "you're never gonna guess what happened to me while you were gone".

“ *I worked with Russ for ten years and he was the best friend a girl could ask for. You go in his office and whether you were in a bad mood or he was (which was seldom) when you left you were both laughing hysterically. He was a great unlicensed physiologist and if the walls of his office could talk oh what stories it could tell. RIP my friend, you will forever be missed. Joyce Keller*

Russ and I go back to my early days at Hydro-Chem which is now around 18 years ago. He was one of my first friends at Hydro-Chem and I learned a lot from him over the years. His dedication and friendship will be missed by all of us.

As a brother, I could not ask for more...Russ always encouraged me to go for my dreams - making sure that I knew that he also expected me to stay grounded at the same time (not always easy unless you have a big brother watching over you;~). I cherished his spirit, his spunk and his ability to stay strong and steady. I look forward to racing him again in a new and better place...always my brother, always my protector, and forever in our TR's on the road to somewhere beautiful!!!

My contact with Russ was minimal, but I very positive thoughts of him and his terrific family members. I admire everything that I know about him as a person and as a dedicated car collector who loved his TR-6's. My best regards and deepest sympathy to Ben and Betty Turner and to his sister Lisa.

I worked with Russ for 10 years and he was a great guy. He could bring me out of a bad mood or negative situation and make me laugh. He was a remarkable one of a kind person. I'm going to miss your friendship until we meet again. Rest in Peace my friend!
