“ *Melanie, Gary and Family!*

I am so grateful to have known your Mom and family. I thought I might get to see her again, but now it'll have to wait until we meet in heaven. She was one of the kindest most gracious people that I've ever known & I have so many fond childhood memories that include her! Her infectious sweet laugh & bubbly blue eyes & as amazing as putting up with our antics was, she was SO patient and made me always feel welcome in your home.

I know you all will miss her terribly, but share in your delight that she's with the Lord and your Dad! God bless you with comfort at this time. Love you!##imported-begin##Debi Falsone Masi##imported-end##

“ *Melanie, when I think of your mother, I have such fond memories. I only met her our senior year at CHS but the memory of both your parents have stayed with me all these years. I can't express my sorrow at your loss, but as you said in your email the Lord will take great delight in her, as did everyone who was honored to meet her. I pray for peace for you and your family. “ Dear Melanie,
I received the news of your mom's passing from Patty Hourigan. I am so sorry to hear this. Even though she lived a very full life it's never easy losing a parent. I lost my dad in October of last year and every day I find myself wanting to call him as I did everyday. We miss them so much but I know you find comfort in knowing that you'll be with them again one day. It's been so many years since I've seen you yet it seems just like yesterday that we were kids at Lake Mag. Ele., then Adams Jr. High and of course CHS!! Those are fond memories for me as I know they are for you too! Please accept my deepest sympathy and I pray God's richest blessings on you and your family! God Bless You!! “ *My mother thought a lot of you, Miss Higgins ; she considered you a good friend. I, on the other hand, was always a little intimidated when I'd see you walking down one of Milton High's long, dark halls ... with a determined look on your face and your 3 inch heels clicking on the wooden floor... until one day when Mother told me that you were a warm and very caring person. My mother loved her friends very much, and her word was always enough for me. God bless you, Miss Higgins, and may you rest in peace.##imported-begin##Nan Harman-Dempsey##imported-end##*
