“ *Dear Crozier family,*

Bernie and I want to say how much we loved having your mother as our next door neighbor for the last 8 year's. She brought a lot of joy to us and an incredible friendship to me especially.

She loved my chicken and dumpling's, her eye's would light up when I brought it over. We will miss "Her", but will always have beautiful memories.##imported-begin##JANET & BERNIE DAILEY##imported-end##

“ Bill, I was sorry to hear about your Mother. There never is a fitting time to say your last goodbyes to someone who with loving hands wiped teardrops from your eyes.
The loss you feel is so profound and unlike any other; there never is a fitting time to say goodbye to Mother.
All the love she left behind will never be in vain, for if you look within your heart you'll find it once again.
With Deepest Sympathy##imported-begin##Dale Fuller##imported-end##

“ I have known Ruth since I moved to the Orchards at Sweet Apple and I think that she was one of the most beautiful people, inside and out that I have known. I'll always remember her sweet smile and kindness. A true Lady.##imported-begin##Katie Taylor##imported-end##
