“ *Sallie was affectionately known as "Buttercup" by her colleagues at MMI. My prayers go out to her children and I can only hope they realize how much they meant to her and how much she loved them. We will celebrate the "Salfest" this year by celebrating her life. As spring approaches, I will look out my window and see the buttercups blooming. They will have a whole new meaning now. I will be forever grateful for the short time Sallie and I spent together. I will miss you Sallie.##imported-begin##Linda Tharp##imported-end##*

“ Dear Chris, Amanda, Ryan and Emily,
We are so sorry to hear of your mothers passing. We have so many fond memories of her from when we were neighbors. She was the first one there to welcome us when we moved in across the street. Always loved her cheery disposition and beautiful smile! We will be praying for you all during this time.
Love to all,

“ Sallie
We are all with you. We love you and we are so sorry that we could not do more in your time of sorrow. Sallie, we will save and cherish all of your last words, your funny holiday texts, pictures from your trip across country. I will cherish the early mornings and chai tea with cream and sugar that you would make me for the drive to work. No matter what life dealt you you had that "get'er done" attitude. Linda cherishes the text Monday when you were so excited to work in Athens so you could go see your son. We all love you so much. I wish we told you that every second of every day since we met you.###imported-begin###Vincenzo & Suzanne Tambasco###imported-end##

“ My sincere condolences to the family. I was blessed to have met Sallie through the pet ministry. She had such a warm and gentle smile and made me feel good to be around her. We also shared a love of dachshunds as we both had 2 who are spoiled rotten.
She will be truly missed.
