“ *Our condolences to Wally and the Berry Family. We were saddened to receive Karen's call this morning. You all are so fortunate to have had such a warm and loving Wife, Mother and Grandmother. And we were so fortunate in having the best neighbors in Sandra and Wally in Dallas 1987-1991, and staying in contact over all these years. Sandra will be sorely missed. We truly enjoyed the photos that you have posted. Memories to cherish of this wonderful lady. May all of you take comfort in these memories, and the love of your large family.*

*With much affection,

“ My condolences to Sandra's family. So sorry for your loss. Sandra and I graduated together from Chipley High School in 1953 and I remember her as having a quiet, sweet personality. So sorry we only got to see each other at high school reunions thru the years. May God be with you all thru the coming days, weeks, years.....
