“ *My heart goes out to the Brannon family for your loss of such a wonderful lady. She holds a very special place in my heart, because I will never forget when my husband passed away and she was visiting in from Georgia and attended Pastor Brannon's church that Sunday, she gave me a big hug and told me to never let anyone tell you to get over your grieving that I need to take as long as I need, her words have gotten me through a lot*
