

## Mrs. Sandra Jane Manning

May 19, 1946 - March 31, 2017

Sandie Manning, much loved by so many, passed away March 31, 2017. Born on May 19, 1946 near Manchester, England to Nan and Fred Foulkes.

After a brief career she was married in 1966 and dedicated her life to raising a family. Her cooking, decorating, home design, gardening and crafting skills are all legendary. In 1984 she settled her family north of Atlanta where she designed, fitted, furnished and landscaped two lovely family homes.

Well-traveled, she is one of the few people who have literally circled the globe twice. She loved all animals but especially her wild birds and pet dogs and cats (Toggle, Willoughby, Tootsie, Rosie, Kitty, Daisy and Toby) with dedication.

Her last few years were blighted by ALS and FTD but made tolerable by the love of a dedicated team of caregivers (Sonnie, Sheila, Rose, Marvi, Joe, Grace, Carmen, Anela, Alison).

Nevin and Quinn (grandchildren), Nina and Simon (children), Anne (sister) and Keith (spouse) will forever miss the privilege of having such a loving, good, caring person in their lives.

A gathering of friends and remembrance service will be held at Northside Chapel Funeral Directors in Roswell on Thursday April 6 at 1:30 P.M.

In lieu of flowers please contribute anonymously to any cause which assists those with serious illness.

“ *Sandie was lovely, friendly, witty and so much more. She would greet you with a smile and a cheery, happy voice. She had a wonderful eye for color, decorating and gardening. I have many memories of her and the times we spent together as she was one of my first friends when we moved to Georgia in 1984. Deepest sympathy to Keith, Nina, Simon, the grandchildren and Anne.*

“ I cannot think of Sandie without remembering her beauty, talent, and smile. She was always ready to have a laugh and she along with my parents had many great times together over the years. No doubt, my dad was there to greet her in heaven with a hug and a joke.

*I also remember that Sandie decorated her home elaborately for every holiday- many of the items, she created herself- like an Easter Egg Tree! She was quite crafty and creative with her displays and centerpieces and I always enjoyed seeing what she would come up with next!*

*My heart goes out to Keith, Nina, Simon and all of the family - I wish I lived closer so I could be there in person to express my love and condolences. My mom Bette is also thinking of you all and feels terrible that she has a bad head cold and is unable to attend the services. We both send our love.*

*I'm thankful I was able to see Sandie on my last visit home and thought you might enjoy the photos we took that April day.*

“ Sandi was a proper English Lady who radiated grace , love and kindness. It appeared Sandi would plant a tree in the heart of people she crossed paths with. She would hang prayer ties on the tree that would bloom with her delicate special kindness that lives on. Sandi had what most people only dream of she and Keith shared a love for each other you only see in fairy tales. I am grateful that our paths crossed. Sandi it was an honor to know you.

“ *To Keith and the entire Manning family:*

*Like others, I was always impressed with the ease and grace that Sandie exhibited whenever she hosted the Type A callers from KMA. No matter how busy she might be or how crowded or hectic the event, Sandie always took the time to welcome visitors to her home with a smile.*

*May the pain that each of you are experiencing now be relieved a bit by knowing that Sandie Manning was a classy lady who touched a lot of people with her elegance and warmth.*

“ Due to college and moving away, I don't have many recent memories of Ms. Sandy, but I remember her fondly from my childhood spent at KMA events! She always had a beautiful smile and I remember loving the way she spoke so softly and proper! Anya and I would try to mimic it whenever she walked away and we knew she couldn't hear us :)

*I am so sorry for your family's loss but I truly hope she has found peace. All my love to you all during this time...*

*Sincerely, Ama*

*My memories of Sandi are many and always filled with happiness. Her kindness to me came in ways too numerous to list. When I was in a new state with no family she and Keith adopted me into theirs. Sandi invited me over to share an English Christmas, complete with poppers and a High Tea at 4 P.M. She trusted me to care for her beautiful home, her dogs Tootsie and Rosie and her flowers when she and Keith travelled. I seem to remember a couple of ducks she named Albert and Victoria as well. When I moved into my first apartment she took me up to her attic of treasures and gave me lamps, side tables and chairs. All of which still reside in my home in New York now. You were in a class most of us could only hope to attain Sandi and we are all lucky we had the privilege to know you. My heart is with your loving family.*
