

Sandra Sirles Sweatt

May 27, 1949 - August 6, 2025

Sandra Sirles Sweatt, born May 27th, 1949, of Roswell, Georgia entered into eternal rest on Wednesday, August 6th, 2025 surrounded by the abundant love of her family and friends. Sandra was a dedicated mother, sister, grandmother, and the matriarch of her close knit family. For 32 years, Sandra flew the skies with Delta Airlines as a flight attendant, and as a fervent traveler she loved getting to experience global cultures and sharing her curiosity and love of travel. She is preceded in death by her parents, Mr. and Mrs. Buford Sirles Jr. of Birmingham, AL. Sandra was the beautiful mother of, and is survived by, two children; Amanda Goodwin Whiteside (Micah) of Roswell, GA and Robert William Sweatt III (Nicole) of NC. She is also survived by her three sisters (Barbara Sirles, Terry Sirles, and Cathy Sirles Fox of Birmingham, AL); her two grandchildren, Whittington and Hayden; two nephews (John Fox of Atlanta, GA and Connor Fox of New York, NY) and niece (Emily of MA); and countless friends whom she deeply adored. Sandra was an active member of Roswell Woman's Club, Delta Clipped Wings and various book clubs and Bible studies in her community. She was also a passionate and creative entrepreneur, tirelessly spending her retirement years running two, successful, small businesses, selling at markets and shows all over the Southeast. If asked, Sandra would have said her greatest joy was becoming a "Tissy" and cheering her grandchildren on in every endeavor big or small. Sandra found meaning in the happiness of others and family. She loved to entertain, making the smallest occasions seem effortlessly special for all those who were lucky

enough to cross her path. Sandra was a pillar of grace and eloquence and gained peace and support through family. She was the epitome of a Southern belle.

A celebration of life will be held at Roswell United Methodist Church on Thursday, September 25th at 2:00 p.m. The family asks that family and friends wear vibrant colors to celebrate Sandra's zest for life. Her family wishes to thank everyone for the outpouring of love they have received. In lieu of flowers, please consider a donation to UAB O' Neal Center for Breast Cancer Research Center.

“ I want to take a moment to remember our beloved Sandra and want share a few words about someone who made life a little brighter just by being her cheery wonderful herself. She was one of the sweetest, kindest, and most positive people I've had the pleasure of knowing. We didn't work together often, but every time we did, it was always great fun.

She had this amazing way of making you feel good, no matter what. Her laugh could light up a room, and her energy was so warm and full of life. She was fun, thoughtful, and just a joy to be around— someone who made even the smallest moments feel special.

I feel so lucky to have crossed paths with her. My world feels a little less bright without her, but I'll always remember her warmth and the happiness she brought into mine and so many lives.

Rest in peace, my friend. I will miss you and will always remember you!

“ I truly admired Sandra....she seemed to always have a smile on her face and was so much fun to be with on a Delta trip. Once, we flew San Juan...nice layover with pool...we got our suits on asap after getting into the hotel and went out on the lounge chairs. We did think we must look kinda cute out by the pool so we got someone to use my camera and take a picture of us....feeling like we were in our 20's (or something) until I got it developed.....reality hit...but, we got laughs out of it anyway... She was remarkable even the last time I saw her @ lunch w/ Laura...and am so grateful we got that time together because my memory of her will always remain positive, happy, and laughing. A True Loss to all. Marguerite

“ I remember Ms. Sandra used to carpool me to school when I was growing up. We would pile into her minivan -- me and my brother John, Bobby and Amanda, and the Gaetano kids. The car was packed and loud and there would be singing or friendly teasing and I remember Ms. Sandra would always laugh and laugh and be part of the fun. I remember her house and how it smelled and how comforting it felt. I remember her hugs and her sweet accent and how she always felt so down to earth, always herself. She was the best friend to my mom for over 20 years, probably 30. They would work at "The Mart" each year and drive hours in traffic to and from and never would complain because they liked being around each other so much. I am heartbroken for my mom to have lost such a best friend. I can only imagine how this massive loss is feeling for Bobby and Amanda. Ms. Sandra was so natural, warm, and loving. I am sending all of my love and condolences to her family. It is such a loss. Love, Courtney Allen

“ I was so very saddened to learn of Sandra's passing. Sandra and I were roommates "back in the day" as young Delta FA's (a Stewardess then!). She actually was on her very first flight as a DL Stewardess with me (a very "senior" Stewardess of about 3 months!) - we did a quick beverage service on a small DC-9! We hit it off and ended up becoming roommates not long after. We both transferred to the ATL base from DFW and had great times! Sandra was my Maid of Honor at my wedding. We kept in touch during the years after we both married; unfortunately we did lose touch at times over the years. In the last few years we reconnected when she connected with me when I had bi-lateral lumpectomies a few years back - not only as a Friend but as a Breast Cancer survivor, she contacted me and gave me support. We both vowed to get together and intended to, but sadly let pass time too much. Sandra was always such a joyful and happy lady; she will be missed by many. I loved Sandra and am so saddened and sorry for her passing. I am so very sorry and send condolences to all of her Family and many Friends.
