“ All our love and prayers are with the the entire family and friends. We also have a lot of fond memories of our cousin Sandy at all the wedding functions we got to attend. She was such a beautiful, loving spirit, full of laughter and fun dancing around. She will be greatly missed and our precious memories of her will be cherished forever ❤️

“ I spent some time looking back through old photographs and reminiscing with my sister, Kelly, about our memories of Sandy. I found a picture of her taken in the summer of 1984. This picture makes me smile. Thinking of you and hoping as the days go on you will find comfort in each other and in your memories of Sandy.

“ I can't help but smile remembering a little precocious blonde on our St. Augustine trip so many decades ago. She wanted so much to be older and cool, like Erika and Boyd. Can't help but smile. Lifting you all in prayer and rejoicing thought the tears that she is now healed and at peace. Imagine having all of eternity to celebrate together.  
With love-

“ I have very fond memories of some great conversations with Sandy on Al and Carols front porch. She was a very special lady. Praying for peace and comfort that surpasses all understanding, and that the smiles that come from beautiful memories ease the grief and tears. We love you all.
