“ I am so sorry that I was unable to make it to Charlotte's funeral. I was on my way when I got a call about one of our patients having 'chest pain'. (I am on call this weekend). Still hoping that I could 'make it' I thought about you all day. Turned out I never got home until this evening. Please know that my spirit and love was with all of you today. Each one of you did a spectacular job in caring for your mom/mother-in-law/grandmother and I know that she is smiling from ear to ear and proud as a peacock of each one of you. It was the greatest gift you could have given her--allowing her to die in her home. I will never forget any of you..God's love and peace be with you.....##imported-begin##Joyce Garland##imported-end##
