

Sara Elizabeth Schwolgin

May 9, 1937 - October 5, 2022

Sara Elizabeth Birch Schwolgin Born May 5, 1937 went home to be with her God on October 5, 2022.

She is survived by her two daughters, Barbara (Gooch) and Sandy (Brandes); her Sons-In-Law, Richard and Bob; her beloved grandchildren, Katie (Troisi) and Dylan; her brother, Donald Birch, and many nieces, nephews and cousins.

Sara was preceded in death by her parents, Ida Ruth Abel Birch and William Mace Birch, Sr.;

her sister, Anne Woodburn; brothers, Ray and Billy.

Sara was the tiny woman with the biggest heart and anyone she encountered in this life gained a piece of it. She always held a special love for both her daughters and each of her grandchildren, and they for her.

Sara loved helping everyone she encountered and considered everybody she met her friend. You pretty much couldn't have a conversation with her where her sentences didn't begin with a reference to one of her daughters, a grandchild or "My Friend...". She loved to garden, loved being outdoors in what she called "God's Nature" and loved her companion kitties across the years. Pumpkin & Rockie are surely happy to have her with them to scratch their ears today. Her much loved grey tabby cat, Socks, now lives happily with Sara's daughter, Barbara.

Though she spent most of her adult life in Central Florida and North Georgia, Sara grew up in the St. Mary's/St. Inigoes area of Maryland's Chesapeake Bay and graduated from Great Mills High School there. She will be taken home by family to that area of Maryland as her final earthly resting place in the spring.

In lieu of flowers, and honoring Sara's wishes, donations in her name may be made to Shriner's Hospital for Children at www.lovetotherescue.org

“ I met Sara at the veterinarian office where she volunteered to live and tidy up all the kitties in boarding. She lived with me briefly in her transition to Georgia. She was the kindest, most giving and spiritual women I've ever known. I know Rocky was waiting to greet you dear lady and treasured friend. You are always in my heart.
