“ I feel truly blessed to have met and worked with Scott when I transferred to UPS Capital three years ago. We shared many conversations about our respective families especially our daughters and his grand children and I know that his wife and family meant a lot to him. Scott ALWAYS took the time to ask how I was doing and what was going on in my life, even when he was not doing so well himself. He was a light that shone brightly and reached everyone he came into contact with. My sincere condolences to his entire family. I will truly miss him.##imported-begin##Lorraine Jack##imported-end##
