“ I was a friend of Scott Villar at Jeff Davis HS Montgomery AL. Scott was JD Class of 1979. I graduated in 1978. I enjoyed Scott as a friend going to Jeff Davis. Scott was great. He will be missed. Know that my prayers will be with Mrs. Scott Villar and family in the passing of Scott D. Villar. I was thinking of the family and Scott when I went to the Samaritan Purse website and donated to US disaster relief.

“ Dear Sheree, Shelby, Stephanie and Denny,

Our thoughts, prayers and love go out to you today. Scott was a great man and a loving father who was so proud of his kids. The last time I saw Scott he was wrapping Shelby in a big bear hug at the end of the volleyball season. It brought tears to my eyes then and it does now, but it is a precious memory of a man who loved his daughter. Hang on to that Shelby!

We love you!

“ *Scott was a part of so many peoples lives. He was one of the truly great gentlemen in life. Scott was respected by all that knew him. Humble in victory and gracious in defeat, Scott lead by example. Fierce in competition Scott would still encourage others to play their best or strive to improve, There was no better team player than Scott. The world needed more Scott Villars. The fact that he is gone has caused me to remember back to a time when boys were becoming young men. It has been over thirty years since I have talked to Scott, but I can remember playing catch as if it were yesterday. The Villar family has my thoughts and my prayers. Mark Boydston*
