“ I know that no one wants to hear from me. Not a day goes by that I don't cry for the loss of Seth's life. He was the world to me, and I miss every aspect of his being at all times. I feel him with him sometimes, but it is not enough. I want to grieve with those who really knew him. He was so wonderful and had so much to offer.##imported-begin##Charlotte##imported-end##

“ Mr. and Mrs. Hosko. I am so sorry for your loss. I worked with Seth at Ford Credit in Michigan and his loss has been deeply felt here. Seth was the kind of person that everyone loved and was drawn to. He always had a smile and something funny to say. Even when things were hectic and we worked long hours, he was always positive and upbeat. My prayers are with you and your family during this time.
