“ Kathy, i'm so very sorry to read about your mother passing away. What a wonder lady she was and was so very kind to me. I'll never forget the few time I got to spend some time with your family. They all treated me well as if I were one of the family. You dad let me drive his town car to Helen Ga and spend the day with you all. What a great guy! Your mother was the first one that talked me into eating a raw oyster! Oh what a day that was, and now I love them! I will always remember your mother as a very nice lady and some fun to be around. I miss you all and wish you well. Barn##imported-begin##Barn##imported-end##
