“ I know Stephanie and Grady when I lived in miami. It has been many years and I was trying to find her over the past 2 years. Just discovered her obituary and I'm heartbroken. She was a sweetie she and Grady are the nicest people and they helped me so much when I was in a bad situation. I am so sorry I did not get to connect with her before her passing. Her family needs to know that she was well loved by me and we had a special connection.
