“ *Thoughts and prayers to everyone impacted by such a great man. I know Coach Steve from NMML - even though he wasn't my son's coach - he knew my son by name and always spent time with him upon entering/leaving the complex. Thank you for all you have done Coach - continue with those precious kiddos that are already there with you in heaven on the biggest, fanciest field. You will always hold a special place in our hearts!*

“ Our second family, growing up, were the Morleys of Hull. I am so sorry for your loss, much much too early. I wish I could be there for Stephen's memorial service, but he and all of the Morleys are in my prayers. -- Joe McDonagh

“ Stephen was a caring young man, and he touched the lives of many people. I will surely miss him, but I have many memories of him and his brother Eugene, whom I loved also. They each owned a chunk of my heart. I know the loss of a brother, so I feel the hurt and loss of the Morley family. Stephen will forever be in our hearts. Just think of those that were waiting for Stephen on the golden shores of heaven. Rest in peace my friend. with love, Motty Rape

“ With his lovely smile, his distinctive Massachusetts accent, and unbeatably positive attitude, Steve always brought sunshine and joy to every one of our Miracle League games. Although he didn't coach either of our 2:30 game teams, he was always there at this final game of the day, helping in whatever way needed. He knew all of our players by name as well as each of their unique needs, and treated all of them (and all of us) with friendship, compassion, and laughter. It is hard to believe that this positive force will no longer be with us. He will be missed and his memory cherished by us all. May his soul, and the souls of all the faithfully departed, through the mercy of God rest in peace, Amen.

“ *My deepest sympathies to the Morley Family. My heart is heavy. Stephen and I entered a contest in perhaps 7 or 8th grade to attend a camp and we had to write a slogan. He already wrote his and he gave me mine- something about Minutemen ready by the Minute. So maybe it was something to do with 1976. Anyways his slogan for me won but his didn't win! I felt badly but went and enjoyed the overnight!*

We grew up in Hull together and everyone who grows up in Hull knows what life is like growing up there so we share such a common strong bond.

May he be smiling done upon us.

The Morley family were my neighbors when I lived in Hull . The nicest family you could have for neighbors. Steve was always polite, and kind. I am so sorry to hear of his passing. Please accept my deepest sympathy. Bea Geary
