“ I am extremely heart broken to find out about Steves passing. I was fortunate enough to get to know Steve and Cindy in Port Orange, FL, where Cindy and I worked together and where I met Steve's mother and step

Father. My heart felt sympathy go out to you, Cindy, to Steve's Mother, Children and all of his family and friends who loved him dearly. I have looked at all of the wonderful pictures of Steves life. What a treasure. I am so thankful to get to view Steves life from childhood through adulthood. What a blessed life he had so many wonderful memories to reflect upon as you all deal with the difficult days and years ahead. I felt Steve was such a special wonderful, kind and thoughtful person. Steve would do what ever he could for whoever needed. I new upon meeting him that he came from a wonderful family because he was a reflection of the love, kindness and great upbringing that had surrounded him. I know he will be greatly missed by you all. My prayers are with you all and I know Steve loved the Lord for he always appreciated so much the prayers that were being sent up for him through his recent illness. It bring me comfort to know that he is with our Father in heaven as I am sure it does all of you. And that the day will come when we will rejoice in seeing our loved ones again some sweet day. Please understand how much my heart hurts for you all. Cindy , I love you so much I hope you will always know that and I hope to see you again soon. I am praying for you my dear friend. You are so special to me. I know you a completely lost right now without your one true love , best friend and husband. I am here for you. You come stay with me when you just need to breathe my friend and see some of your Florida friends who love and care about you. 🥺❤️🙏🥺💕🙏
