

Steven Alan Campbell

May 22, 1951 - May 30, 2024

Steven Alan Campbell of Roswell, GA passed away at the age of 73 on May 30, 2024, surrounded by family. He is preceded in death by his parents Joe and Helen. Steve is survived by his wife of 51 years, Sue Campbell, daughter Joan Shepp (Dave), grandson Tristan Shepp, and son Joseph Campbell (Mariann).

Steve was born in Beaumont, TX on May 22, 1951, and spent his youth in his beloved town of Ranger, TX. He achieved Eagle Scout in 1967 for Troop 88 in Ranger. In 1967, he left Ranger to attend high school at Subiaco Academy in Subiaco, Arkansas and graduated in 1969. Steve joined the United States Navy in 1971 and served through 1975 when he was honorably discharged. He met his wife, Sue while in the Navy. Following his service, he attended the University of Guam where he graduated with a Bachelor of Business Administration in 1976.

In 1977, Steve began his career in life insurance for Sun Financial Group in Seattle and became a sales manager in 1979. In 1985, Steve joined The Equitable in their Southern Operations Regional Office. He worked for AXA/Equitable until his retirement in 2018. He had CFP®, CHFC and CLU designations. After retiring from full time work, he became a consultant for AXA/Equitable until his death. He truly enjoyed the work he did and would help anyone who needed it.

Steve was a keen hunter. From an early age, he developed a passion for hunting, whether it was for local game or chasing big game in exotic lands. He was passionate about SCUBA diving and, as a master diver, explored many stunning locations around the globe. His hunting and diving adventures took him to destinations such as southern Africa, Cuba, Bonaire and the Cayman Islands. He loved to display taxidermy and pictures from those outings. Steve also had a love of music as he was one of the many who attended Woodstock in 1969.

In July 2020, Steve gained the title of Grandpa. His grandson was the source of great pride and happiness. Simply talking about him would make Steve's face light up with a smile and fill him with delight; he was truly the sparkle in his eye.

Steve Campbell was my class mate at Subiaco Academy, and a dear friend. We attended our 50th reunion at Subiaco in 2019, and rekindled our friendship so much so that we again, attended the alumni reunion in 2021, along with my brother who was celebrating his class 50th. Afterwards, Steve and I shared a terrific road trip back to Atlanta, from Arkansas. Along the way we visited Memphis and, of course, with Steve's encouragement, Graceland. In Atlanta Steve introduced me to the Seaquarium and its awesome wonders. Steve really enjoyed life, and had a quick and wry sense of humor. When I first met him at Subiaco, he and his room mate, John Slaughter, were playing the song IN-A-GADDA-DA-IDA on his stereo in their dorm room. Anyone who attended Steve's memorial service might have wondered why that tune would have been played for such a solemn occasion. Well, knowing my buddy, Steve, I totally "got it"! I will surely miss him, but will never forget him. May he rest in peace, in our good God's loving care.

Steve and I shared a similar career path at AXA/Equitable. I hold a great deal of respect for him and his knowledge base. But most of all a deep respect for his kind heart and integrity. Sincere condolences.
