“ *I wish I had the opportunity to get to know and learn more about Sthitha. Very few people live life to the fullest or are present to the moment, and from all the stories, it seems he did this masterfully. “ *I sadly did not have the good fortune of meeting Sthitha since starting at Pardot, but I have heard nothing but wonderful things about him. It's always a shame to lose someone who still has so much life left to live, but it is amazing to know how loved and appreciated he was in every aspect of his life. I truly wish I could have had the opportunity to know him. My thoughts and prayers are with his family and friends in this difficult time.##imported-begin##Brittany Baptiste##imported-end##*

“ The few times I was fortunate enough to speak with Sthitha, he was always full of energy and had a very kind way about him. No matter what he had going on, Sthitha was willing to lend a helping hand without asking for anything in return.

I feel lucky to have been able to work with him and wish the best for all of his family, friends and loved ones.##imported-begin##Clint Green##imported-end##

“ I only had the pleasure of speaking to Sthitha a couple of times before he left to go on his travels, but remember thinking that anyone that kept a mini motorbike in their office was incredibly cool. Although my interactions with Sthitha were limited I feel that he has had a huge impact on my life by helping build an awesome application and making sure that he lived life to the full. When I grow up I want to be as intelligent and as cool as Sthitha. Rest in peace.###imported-begin##Phil Simpson###imported-end##
