“ *I just heard about this today and has saddened my heart so much! Sue and I worked together in Lawrenceville and had lost touch once I left the area but I have often thought of her!! She was there for me during a difficult time....her kindness and genuine unconditional, nonjudgmental heart will never be forgotten! Prayers that God will continue to comfort her family and friends!*

“ I love this photo of my good friend Sue. I've shared so much with this lady for over 42 years. She had such a wonderful spirit. Any time we met to "catch-up" as we both called it, 30 minutes would quickly turn into 3 hours. And her giggle.. it was unique.. always made me laugh. I've lost a good true friend that I already miss terribly. Prayers for Gene, Cortnie, her grandchildren and her family.
