

## Mrs. Susan Elaine Childress

January 1, 1961 - February 19, 2022

Susan Elaine (Scott) Childress, 61, of Alpharetta, Georgia passed away on February 19, 2022. She was the beloved wife of Glenn Paul Childress. Born January 1, 1961 in Baltimore, Maryland, she was the daughter of the late Thomas Bennett Scott and the late June Ann (Conn) Scott.

Affectionately known as “Scottie,” she graduated from Arlington Baptist School in Baltimore, Maryland and went on to Cedarville University where she earned the Bachelor of Arts in Communications, Broadcasting (Radio and Television). Susan took her creativity to Maryland Public Broadcasting where she became an award winning Coordinating Producer for MotorWeek television series. Porsche Cars North America brought Susan and her family to Atlanta, Georgia to be a Product Publicity Specialist as well as the videographer and editor for Ferrari North America owners racing series. After stepping away from the fast pace of the automotive industry, she focused on mission work with the North American Mission Board and Leading the Way ministries. Most recently, Susan volunteered with the Patient and Family Advisory Council (PFAC) at WellStar North Fulton Hospital to help integrate the “voice” of patients and their family members in the hospital’s organizational decision-making.

“Scottie” spread joy and laughter everywhere she went. Always creative, she could light up a room with her sharp sense of humor and compassionate warmth. She faced her challenges with a positive outlook and remained strong and steadfast, offering hope and encouragement to anyone facing the

physical adversities of diminished mobility. Focusing her energy on photography, Susan became an expert at capturing the beautiful detail of nature and light, amassing a collection of photographs that will remind us of her eye for showing us the beauty and detail God's creation.

Susan Childress is survived by her husband Glenn Paul Childress and her daughter Rebecca Jane Childress of Alpharetta, GA, her brother Keith Conn Scott of Atlanta, GA as well as the loyal family dogs, Max, Maci and Dublin.

The family will receive friends Tuesday, March 1 at 1:00 PM for visitation followed by a memorial service at 2:00 PM at Northside Chapel Funeral Directors and Crematory, 12050 Crabapple Road, Roswell, Georgia 30075 and a reception immediately following at the Childress home.

“ Dear Glenn, Rebecca, and the rest of the Scott/Childress family,

*I was so incredibly heartbroken to hear Susan passed away. My condolences to all of you.*

*Susan and I had so many wonderful good times and memories when we were at MotorWeek together. On one occasion Susan and I were at Union Station during Christmas time and I bought this really beautiful Christmas Ornament with her and every year I put it up, I think of her. That ornament will now be even more precious and I will say a prayer for her every year when I put it on my tree. I hope you are all coping as best you can and will hold onto the beautiful memories you have of her. Sending my love to all of you.*

“ *The Scott family has been separated by distance and time for quite a while now. Time seems to be the worst of the two, but there will be a time when we will all be together again under God's wing. Susan will be missed very much by her whole family and many friends too. Sending our love and prayers to Glenn and Rebecca and Keith. Love and Blessings, Buck and Laura Scott*

“ I was so sad to hear of Susan's death. I didn't even know she had been ill. She and I worked together for a couple years at Leading The Way and she was always so kind, patient, eager to serve God's kingdom. Her humor was a huge, wonderful part of her and it was a great joy to share a laugh with her. She was a stalwart friend in the office and I miss that sweet window I got to have with her. Such a heavy loss. Thanks be to God that Susan's joy and laughter and life is on max now as she lives with Christ. Glenn & Rebecca, I am praying for you through this heartbreak. - John VandenOever

“ Ugh, my heart skipped a few beats when I first saw Rebecca’s post about Susan’s passing... I’m so sorry and saddened about the news! Glenn and Rebecca, I’m always here if you guys need anything! I first met the Childress family in 2005 when Rebecca joined our Summer Horse riding camp! From there it evolved to the Childress family riding and leasing a horse. Needless to say we became great friends and many laughs were shared! I’ll always treasure our memories of me, Rebecca and Susan doing Karaoke in the barn, among the horses with pitchforks! Great times! I’ll forever miss your bright smile and laughter Susan! Rest easy now, we’ll see you soon in heaven!
