I was good friends with Sue during our years at Sacred Heart. I have thought about her, how pretty she was and her great sense of humor so often during these many years. We had so much fun together in high school. I regret so much that we lost contact. Please know that I understand that this is a tremendous loss for your family. My thoughts and prayers are with you.

“ Our loss is truly Heaven's Gain! She was my best friend. The best big sister anyone could ever hope for. Thoughtful, loving and kind. She had a delightful sense of humor, full of wisdom and inner strength that truly could only come from above. Although she often joked about how she would be sitting on St. Peter's bench when this time arrived...I know without a doubt that Jesus welcomed her with HIS loving arms as she passed by St. Peter's bench into her new heavenly home. Because OUR LOSS IS TRULY HEAVEN'S GAIN!! You are greatly missed my sweet Sue-Sue! My thoughts and prayer's are with both of our family's.

“ To all the Cavnac family, Kathie and I are saddened by Susan's death. She certainly went too soon for all who knew and loved her. The only consolation is that Susan's suffering has ended and she is now in heaven. May God grant you all peace of mind and fond and loving memories of Susan.###imported-begin###Bob Lacoste###imported-end##

“ Clarence
I was saddened of Susan's death. Although it has been many years since we last spoke, I remember her as a good friend during our years at Sacred Heart. I lost Pinkey in February, 2002 and pray that God will provide you and your family strength during this time of grief.
My condolences to you and your family,
