“ *Dear Michelle, Mitch, Ann, Serena, Tyler, Mary Frances, Prudence and Billy - I have attempted to add a message several times during the last week and simply could not. I am now home from my weekend in Atlanta. Thursday visitation and service was special - and many family/friends had a chance to reflect on cherished memories of our dear Susan that evening. Carolyn and I spent a quiet weekend sharing many stories and memories of our dear, dear friend who is no longer suffering. We will miss her tremendously. I will keep you all in my thoughts and prayers in the days and weeks ahead - we all know how special she was and her absence will leave an enormous void in all of our lives. Love to you all, Lee Potzner Byrd##imported-begin##Lee Byrd##imported-end##*

“ Nothing I can write here will make the passing of Susan more bearable. I just can remember the few great times we have had when she was with us. New York was so exciting for everyone as she saw her grandson perform and graduate from acting school. All of the other times with her bring back memories of her pleasantness and joy of her family.##imported-begin##Kent Osborne##imported-end##
