“ *Suzanne was a good friend and client. Over the years her wry sense of humor always boosted my spirits. She always had a way of making the big things seem incidental and the incidental things seem to be a joke that life plays on us. I will miss her laughter and funny outlook on life. My prayers to George and Chuck and the grandkids. She loved you all so.*

“ *Suzanne taught me piano lessons more than a few years ago. I wasn't very musically inclined and didn't do so well, but loved Suzanne, who happened to be an older cousin. May her soul Rest In Peace and Eternal light shine upon her.*
