“ Sydney De'Souza was my boss in Siemens India in the department of Central Field Services.
A fine gentleman.
He was my best boss. Before his departure from India, he used to plan my career growth.
Later when I met him in Alpharetta, he used to enquire about my career growth.
I cherish my fond memories of working with him.
One of his greatest qualities was that he respected all his colleagues irrespective of seniority.
May his soul rest in eternal peace.
