“ I am saddened today to have read of the passing of Tim. It wasn't so long ago that I received a letter from him in response to my letter as we both reminisced of days we shared in Hamilton playing baseball, attending Taft High School, and recalling the times we spent together. I remember playing baseball with Tim on the Wright-Bernet Orioles and in our final year, we won the 1966 Babe Ruth City Championship ... Tim playing shortstop and me playing 3rd base. It was clear to all who saw us play that "Horse" was our key guy and our leader. I recall the times we spent playing baseball on the Taft High School Baseball team under Marv McCollum. How we laughed and enjoyed those easy, less complex times. I remember that it was Tim who told me that I should "try out" for the high school team in the summer before my sophomore year. I did ... and we continued to play together until he graduated from high school. I have pleasant memories of those days and I hope that even more pleasant memories will comfort his family in this time of sadness. My deepest sympathies to Barb, Chuck, and his entire family and circle of friends.
