Tribute Wall

“ T.C. was my grand father and I loved to spend time with him on Hughes Farm when I was a little girl. He would take me around the farm to feed the cows and it was on that farm that I caught my very first fish there in the lake with a pole made from a stick and a piece of string and a hook. T.C. always told me how much he loved me and I loved him very much. I miss him so.

“ Just a note to let you know that Mr. Westbrooks was my busdriver in elementary school at Northwestern. He was always a very friendly and kind man. especially dealing with a bunch of young crabapple boys who thaought that they could tame the world. Just wanted you to know that Mr. Westbrooks was a plesant memory and a person that I guided my life in a positive way
