Mr. Ted Roosevelt Walker Jr.  
(November 14, 1944-February 11, 2018)

Mr. Ted Roosevelt Walker Jr., age 73, passed away on February 11, 2018. He was born on November 14, 1944 in Alpharetta, Georgia to Teddy Walker Sr. and Esta (Stroup) Walker, who preceded him in death. He is also survived by his sisters and brothers-in-law Grace and Hubert Roper, Dottie and John Campbell, Pat and Larry Bennett, Kathy and Doug Beck, Jean and Tony Moss, and many nieces, nephews, and cousins.

Ted graduated from Milton High School and attended Georgia State University and Mercer School of Pharmacy, where he graduated summa cum laude. After graduation, he was commissioned into the United States Public Health Service during the Vietnam War, where he served his military time in San Francisco, California. After his service, he returned to Georgia and worked as a staff pharmacist at DeKalb General Hospital. In 1971, Ted was employed by Northside Hospital as a staff pharmacist and was then promoted to Director of Pharmacy. During that time, Ted was installed as President of the Georgia Society of Hospital Pharmacists, where he received the Society's prestigious

Hospital Pharmacist of the Year Award in 1980. He was also appointed and sworn in by Governor Joe Frank Harris to serve a 5-year term on the Georgia Board of Pharmacy, where he served as President in 1991. Ted was then named Director of the Northside Alpharetta Medical campus before being promoted to Vice President of Planning and Marketing. He served in this position until his retirement in 2008 after 37 years of dedicated service to Northside Hospital.

Ted was an active member of the community, where he served as Chairman of the Greater North Fulton Chamber of Commerce, a member of the Advisory Committee of the North Metro YMCA, and a charter member and President of the East Roswell Rotary Club, where he was named a Benefactor and Paul Harris Fellow within the foundation. He later transitioned into Union P.B. Church in Roswell. He was an active and faithful member in both congregations.

Ted loved nature and was an avid camper, hunter, golfer and fisherman. He purchased land in Waleska, Georgia to start his own hunting club to engage his family and friends in his passion for the outdoors. Judy and "Papa" Ted own a lake house on Lake Hartwell, where he spent quality time with his family, friends, and the "Good Ole Boys," his fishing and golfing buddies. Ted will be missed for the joyful ways that he showed his love. "Well done, my good and faithful servant." (Matthew 25:21)

“ I have great memories of Ted in high school, especially double dating with him and Judy. He was always kind to everyone and made us all feel special. You could always count on a good conversation with Ted and lots of humor. He was an intelligent guy who took school seriously and seemed to love the moment and the people he was with. He never changed. I always looked forward to seeing him and Judy and wish I had made that happen more. We will never forget you Ted. Judy McFarlin Fritz

“ *I did not know Ted until both of us were retired. I was blessed to spend many days with him on the golf course, fishing, hunting and boating. He was a man of extra ordinary faith with a deep love for his family and friends. He loved being with all of us and made each one feel special. His strength of character was very unique. I learned so much from him.*

“ I was so sad to get a message from Charlene Upshaw that Ted had died. He and Judy were friends for many years and even drove us away from our wedding to our hidden car. He meant so much to many people and will sorely be missed. He fought a good fight here on earth and has now claimed victory in Jesus. Praise the Lord for his faith and belief. With love and deepest sympathy, Betty Mann Herrington

*In July of 1987, Ted Walker hired me as Assistant Director of Pharmacy and Manager of Home Care Pharmacy. I am forever grateful to Ted for that decision and for his guidance and support over the years. Ted launched my nearly 30 year career at Northside Hospital. It was Ted's insight and decision that led to the creation of an Employee Prescription benefit program and the shaping of Northside's Outpatient Pharmacy Programs. He will be fondly remembered.*
