“ Please accept our condolences for the loss of a great friend. "Cara mia" Teresa was an elegant great lady with so many qualities. She loved life, cherished her family, enjoyed her friends and was always pleasant. We will miss her on the beach, knitting under her umbrella, and at the party on the 14th of July singing The Marseillaise with her beautiful voice. She was also a marvelous hostess and a great cook. It was a real privilege to be her friend and we will never forget her.

We were sorry to be so far but reassure to know the love and devotion of her children.

May her memory be for a blessing and may her loving children and grand children be spared from further sorrow.

With all our love,
Micheline & Richard###imported-begin###Micheline & Richard Weisbroat###imported-end##

“ Sometimes a little bit of kindness goes a long ways and can stay in our memories forever. So glad I had the opportunity to spend time with Teresa, who shared her humor, kindness, and thoughts with me. My thoughts and prayers are with her children and my hope is Teresa's happiest moments will make them happy too.
