“ Teresa, it was a pleasure working with you. You sure knew how to cheer us all up in the infant room, when we were down. You touch every child that went through Primrose as an infant and they will all be smiling and saying, we had a very good teacher.##imported-begin##Ellen Leinen##imported-end##

“ Teresa - you touched many, many lives in your too short of time with us. You will be remembered as a quiet and gentle person who always put others first, especially Emma and Dylan. I wish you and your family peace and comfort and many happy memories.##imported-begin##Shannon L. Nicoletta##imported-end##
