“ *Moe and I so enjoyed the times that we were together with you and Terry. He was so easy to talk to and to be with. He was always interested in my work at NWF and curious about our travels with the Family Summit Program. His gentle smile and quiet wit are qualities that we will fondly remember. May his memory be as a blessing to you all. Love, Sharon and Moe*

“ *I worked with Terry at IBM during the early 90's. He was one of the kindest, brightest people I've ever known. There wasn't a thing Terry wouldn't do for me, our team and especially the client. He was an exemplary person and friend. I am so sorry to hear of his passing. May your precious memories of Terry bring you some comfort in the days to come.*

“ I knew Terry in the 70s when we worked together at IBM. He was one of the kindest, nicest people I have ever known -- patient and full of compassion for others. He was also very intelligent and had a multitude of interests ranging from sports to history and science. I was shocked to read of his passing. The Moore family was fortunate to have so many years with him, and I am sure that he will be deeply missed by all who knew him.
