“ *Thelma and I used to carpool to Fireman's Fund for years, I didn't see her for years then I saw her at the dermatology office one day and they called her name and I said "are you the Thelma Findley that worked at fireman's fund" we only got to speak for a few min. Wished I had gotten her contact info, I truly enjoyed car pooling with her as well as working with her, she was so full of advise as back then I was only 18. Prayers for the family, I am glad she got to live life, I never knew what happen to her.*

“ *Aunt Thelma and her husband got to travel both in the U.S and overseas and was able to really enjoy life even in her time at the nursing home and while suffering from dementia. Every time we'd visit she would tell us they had just got back from Hawaii. Now she's in a paradise with Joe greater than we can even imagine, fully healed mentally and physically.*
