“ *Belated condolences to Jo and the family. Ted interviewed me as a new hire in 1980 and then we flew together when I was a co-pilot on the B-767. Ted was one of my favorite captains. He gave me a lot of advice about being a captain, showed me some good techniques for playing craps in Las Vegas, and we shopped for ski equipment at SNIAGRAB in Denver. A true gentleman who will be missed.*

“ *Ted gave me my initial checkout in the B-767 at Delta in the late 80's. I really enjoyed our 4-day trip together. We then we ended up flying several more rotations together, usually with San Francisco layovers. I remember spending many afternoons exploring and then having dinners. What an interesting and fun man Ted was. He was one of the most enjoyable captains I flew with and remember him well after so many years. Dan Koenig, Delta Golden Wings.*

“ Ted was a classmate of mine in class 51 D. I remember him as person of quiet humor. I ran across him when He was in the area visiting his daughter. There was no change in him or his demeanor. He is missed and his memory will be honored. May God be with you and keep you in your loss.

“ A kind and gentle man, I had the great pleasure of working with Ted for many years in Flight Training at Delta. He was charged with, among many other things, hosting the “In Command” seminars for new Captains at Delta. When other duties called, he would occasionally ask me to fill in for him. I was always honored to do so, and was flattered that he would ask.

He will be missed, but also fondly remembered.

“ Ted was one of the pilots who interviewed me during the new hire process at Delta Air Lines over 40 years ago. After introductions he asked if I had any questions. I said I was curious how the scheduling process worked. He spent the entire time explaining how it worked. I do not remember him asking me any questions at all.

Best interview I ever had. 🙄

I also flew with him on several aircraft throughout our careers at Delta. It was always a pleasant rotation. RIP Ted.

“ Ted was my beloved cousin, always kind, fun and generous. On Saturdays when he was about 13 he would bake cakes, put them in his wagon and take them to neighbors because he said Sunday's were family and friends' visiting days! He enjoyed cooking and in junior High he was the only boy to enroll in cooking- very unusual in those days. As an adult he had other adventures on his days off from flying, including many memorable trips with his wife and grandsons. He enjoyed gardening and growing beautiful orchids. Ted was a man of many talents. Our Heavenly Father has now welcomed a wonderful spirit and we will meet again.
